

**2nd Edition – Paris-Saclay Conference on Trade and Environment 2026
June 15–16, 2026, at the Agro Paris-Saclay Campus.**

Call for Papers

The conference is organized by the research units Paris-Saclay Applied Economics (PSAE) and BETA at INRAE and AgroParisTech.

Topics

The conference welcomes both advanced and junior researchers at the intersection of trade and environmental economics. We encourage submissions that address, but are not limited to, the following topics: trade and natural resources, trade and environmental policies, international environmental and trade agreements, green supply chains, and related areas.

Keynote Speakers

We are delighted to announce that **Ryan Abman** (Associate Professor at San Diego State University) and **Brian Copeland** (Professor at University of British Columbia) will present their research during the keynote lectures.

Important Dates

- Submission deadline: submit full paper via the conference website by **February 28th, 2026**
- Notification of Acceptance: Early April, 2026
- Conference Dates: **June 15–16, 2026**
